---

THE Young Ladies boarding in the institution will rise at the ringing of the bell in the morning, adjust their rooms, and be engaged in study till breakfast. And it shall be the duty of the Matron to see that this rule is complied with.

Collecting in any of the halls, boisterous talking and laughing, or the making of any unnecessary noise, in or out of study hours, will be considered a misdemeanor.

The Young Ladies will at no time be permitted to visit the post-office, nor will any one be permitted to go to town oftener than once a week, and then only in company with some member of the Faculty, or some one appointed by some member of the Faculty.

During the Sabbath day, walking on the streets or commons for pleasure, collecting in each other's rooms for idle conversation or amusement, as well as all practices prohibited in well bred Christian families, are totally forbidden.

Each student will be required to have the lights in her room extinguished, and retire at a quarter before ten o'clock; and the Steward shall see that the house is closed at ten o'clock.

the Young Ladies will not be permitted to make calls, except by the permission of some member of the Faculty; nor to receive calls, except in the parlor, and in the presence of some member of the Faculty or Matron; and in no instance will they attend any ball or party, or engage in any amusement forbidden by the Faculty.

No Young Lady will be permitted to contract debts or buy goods, without the written consent of her parents or guardian; and a copy of such permission shall be handed to the President.

Students who shall deface or injure the buildings or furniture shall pay for the same.

## REMARKS.

---

THE FORT WAYNE COLLEGE, incorporated by the Legislature of the State in the year 1846, has now been in successful operation for nearly ten years. It is situated in the most pleasant part of the City, commanding an extensive view of the town and country. It is under the patronage of the North and North-West Indiana Conferences.

In this Institution, both Males and Females can pursue a regular course of Study and graduate with the degrees and honors usually conferred by other Colleges.

To educate young Gentlemen and young Ladies together is doubtless the true policy, as they mutually encourage each other to practice good manners, to be prompt and correct in recitations, and to be pious.

The government of the Institution is mild, but decided.—The Faculty will, at all times, exercise over the students a kind of parental supervision.

Pains will be taken to develop the intellectual powers, to train the mind to habits of close thought and reasoning, and to educate the heart in the purest principles of Christian morality.

A register of the merits of the students in their daily recitations is kept by each member of the Faculty; also a register of demerits, in which absences from daily recitations and all violations of the rules and regulations of the College are punctually recorded. An abstract of the standing of each student can be obtained by request of parent or guardian.

CATALOGUE AND REGULATIONS

OF THE COLLEGE OF THE HOLY TRINITY

The object of this Catalogue is to give a full and accurate account of the various courses of study which are pursued in the College of the Holy Trinity, and to state the regulations which govern the conduct of the students.

The courses of study are divided into three classes, viz. the Liberal Arts, the Sciences, and the Theology.

The Liberal Arts course is designed to give the students a general knowledge of the various branches of the liberal arts, and to train them in the habits of industry and application.

The Sciences course is designed to give the students a deep and thorough knowledge of the various branches of the sciences, and to train them in the habits of reasoning and investigation.

The Theology course is designed to give the students a deep and thorough knowledge of the various branches of the theology, and to train them in the habits of piety and devotion.

The regulations of the College are designed to secure the most perfect order and discipline, and to give the students the best possible advantages. An abstract of the regulations of each course can be obtained by request of the parent or guardian.
